### Clarification of School-based Services

Utilization of Medicaid for LEA services does not

- Decrease available lifetime coverage
- Result in the family paying for services that the child needs outside of school and that otherwise would be covered by the public benefits
- Increase premiums or lead to discontinuation of benefits
- Risk loss of eligibility for home and community-based waivers based on total health-related expenditures

If you have any questions or need further clarification, please contact Debbie Flournoy, at (334) 242-5582.
